

CSTI Certified Emergency Management Outreach Instructor Requirements

Currently CSTI certifies certain courses that may be offered by CSTI Certified Outreach Instructors. To become a CSTI Certified Outreach Instructor, you must:

- ☐ Complete the subject matter TTT (Train-the-Trainer) for the course you are interested in becoming certified
- ☐ Complete the Emergency Management Instructor Enhancement (EMIE) Course: *The applicant only has to take this course once, does not have to take this course for each TTT*
- ☐ Meet the following experience requirements:
 - Two years training background

The following TTT courses are available for Outreach course offerings and the additional classes required for each course:
